Re: Title IV Liquor Training Program

Dear Mr. Alsup:

This letter is in response to your application for training program approval. Based upon review, your application has been approved for general training.

We are in the process of rewriting our rules for Title IV training and will update our website when a final draft version is complete.

Our Department strives to ensure that training standards are met as required by statute. Department approval of trainers and liquor training courses is necessary to assure that the industry is receiving accurate and uniform information as required by Administrative Code R19-1-304. The Department may at any time review any approved training program to ensure that the program continues to meet training standards.

Please direct any questions to Elena Boskoff (602) 542-9047.

Sincerely,
Jerry A. Oliver, Sr.
